

Amending College Bylaws

Office of the Executive Vice Chancellor and Chief Academic Officer Faculty Affairs

This document is based on the NU Administration April 4, 2022 memo titled "Process to Amend Student/Faculty Senate and College Bylaws", with additional items added to ensure awareness and consistency at the campus level.

Please note that college and department bylaws are supplemental to the UNL Bylaws, which are supplemental to the Regents Bylaws. Information from the UNL Bylaws and/or the Regents Bylaws should not be replicated in college bylaws; instead, appropriate links and references should be given. College bylaws should include a statement modeled after Section 6, "Relations to Other Bylaws and Rules" of the UNL Bylaws, which reads: "Nothing in these UNL Bylaws shall be construed to be in conflict with any applicable law or with the Regents Bylaws. Where anything in these UNL Bylaws conflicts with any Bylaws or Rules of any Institute, College, School, Department, or other subunit of UNL possessing power to enact Bylaws or Rules, the provisions of these UNL Bylaws shall govern anything in any Bylaws or Rules of such Institute, College, School, Department, or other subunit to the contrary notwithstanding."

To amend college bylaws, please follow these steps:

Step 1: Preliminary Review

Share a copy of the current college bylaws as a Word document and a second Word document using track changes for the proposed changes (i.e. amendments) with the Associate Vice Chancellor for Faculty Affairs. The AVC will review the changes and consult with the Office of General Counsel to ensure the proposed changes are acceptable at the campus and system levels before they are voted on by the faculty. Please understand that this step could take several weeks or longer. The AVC will confirm in writing that you are authorized to move forward with the next step.
