3 NEW WAYS TO HELP YOUR STUDENTS SUCCEED

1. One-on-one student COACHING

2. WORKSHOPS for improving study skills (and more)

3. OUTREACH to students referred in MyPLAN

FIRST-YEAR EXPERIENCE & TRANSITION PROGRAMS
SUCCESS.UNL.EDU
First-Year Experience and Transition Programs have been created to support students. We’re ready to help your students make the most of their UNL experiences.

**OUR FOCUS IS HELPING YOUR STUDENTS SUCCEED**

**HOW WE CAN HELP**

**Workshops for all students**
- Using Blackboard and MyPLAN
- Successfully connecting with instructors
- Learning to plan 101
- “I can’t read my notes”
- Stress management and relaxation

**One-on-one student coaching**
Students can schedule individual appointments through MyPLAN or via email/phone to develop skills in areas such as:
- time management
- studying
- goal setting
- reading tips
- note taking
- test prep

**Outreach to students referred by instructors through MyPLAN**
When you have a serious concern about a student’s work in class or aren’t sure how to help, you can send a referral through MyPLAN. Our staff will contact you and the student to follow up within 24 hours.

**HERE’S WHAT YOU CAN DO**

**Encourage students to schedule time with us.**
Please share information about our free academic resources with your students.

**Refer students through MyPLAN.**
MyPLAN makes it easy for instructors to share concerns about students. Just access your class in MyPLAN through Blackboard and click “refer” to enter details about a student, and our staff will follow up with you and the student.

**Include our info in your syllabus.**
We offer one-on-one consultations and workshops for all UNL students on topics such as note taking, time management, studying, test preparation, goal setting, and getting connected to UNL academic resources. You can schedule an appointment with an Academic Success Coach via MyPLAN. More information online at success.unl.edu.

**Contact us to present workshops in your class.**
